

EV Charging Infrastructure Strike Force
MEETING NO. 9 Remote Meeting
Tuesday, February 15, 9:00 a.m. – 11:00 a.m. PST
[Zoom Registration Link](#)

***Mission & Purpose:** The EV Infrastructure Strike Force (Strike Force) was formed to advance public and private sector programs and policies that result in the build-out of the charging infrastructure necessary to support battery-electric vehicles as part of California’s transition to zero-emission transportation over the next decade and beyond. As the Strike Force acts, it will do so intentionally to advance accessible, equitable and affordable EV infrastructure for all.*

MEETING NORMS

- Please mute your audio when not speaking.
- Non-Strike Force members are welcome to attend. There will be a public comment period at the end of the meeting during which non-members may ask questions or comment.
- If a member of the Strike Force has a comment or question, please use the “raised hand” function, or use the chat to notify the facilitator that you would like to join the conversation.
- Strike Force meetings will follow the rules and regulations outlined in the Bagley-Keene Act.
- If you are having technical difficulties, please reach out to Ugonne Okugo at ugonne@caletc.com or use the chat feature during the meeting.
