

EV Charging Infrastructure Strike Force

MEETING NO. 5

Tuesday, May 25, 9:00 a.m. – 11:00 a.m.

https://zoom.us/webinar/register/WN_K61BOFFFTW-24nOIJfr32g

AGENDA

1. Co-Chair Welcome Remarks and Updates

2. Electric Vehicle Infrastructure Policy Update

a. May Revision to the Governor's Proposed 2021-22 Budget

Governor Newsom's administration will provide a brief update on the May revision to his proposed budget.

b. Federal Infrastructure Activity

The Strike Force co-chairs will provide a brief update on federal infrastructure activity.

3. Strike Force Workgroups Report Out

a. Jobs Assessment Workgroup

The Jobs Assessment workgroup co-leads will provide a status update on the findings of the jobs assessment and the distribution and communications strategy. Highlights will include anticipated jobs benefits, based on the report, and recommendations for furthering equitable jobs and economic benefits for priority communities.

b. Funding and Financing Workgroup

The Funding and Financing workgroup co-leads will update the Strike Force on the accomplishments toward reauthorizing the clean transportation programs funding and their approach to federal infrastructure investment.

c. Equity Workgroup

The Equity workgroup co-facilitators will provide information to the Strike Force on ensuring representation of equity in all Strike Force efforts.

4. Strike Force External Communications Plan

The communications team will seek input from the Strike Force on the communications strategies associated with both the budget reauthorization letter and the jobs assessment findings.

5. Opportunity for Public Comment

The Strike Force welcomes public comment on any items discussed during the meeting or related.

6. Next Steps and Wrap-up

7. Adjourn
