## AGENDA

### 1. Co-Chair Welcome Remarks and Updates

### 2. Strike Force Workgroups

#### a. Funding and Financing Report Out

The Funding and Financing workgroup co-leads will provide an update to the Strike Force on clean transportation programs funding, their approach to federal infrastructure investment and any next steps.

#### b. Jobs Assessment Report Out

The Jobs Assessment workgroup co-leads will provide an update to the Strike Force on the release of the jobs assessment and discuss the efforts to further build out the equity component of the assessment.

#### c. Equity Report Out

The Equity workgroup co-facilitators will provide information to the Strike Force on ensuring representation of equity in all Strike Force efforts.

#### d. M/HDV Infrastructure Discussion

As the state transitions to zero-emission trucks, the need for charging infrastructure to support these trucks and fleets is growing substantially. The Strike Force will discuss efforts to address the challenges to charging infrastructure for trucks and large fleets, building upon and expanding existing efforts.

### 3. Strike Force Strategic Communications Plan and Key Messaging

The communications team will provide an overview of future Strike Force communications efforts, discuss how to best engage Strike Force members and facilitate a broader discussion on the development of messaging around a variety of priority issues for the Strike Force.

### 4. Opportunity for Public Comment

The Strike Force welcomes public comment on any items discussed during the meeting or related.

### 5. Next Steps and Wrap-up

### 6. Adjourn
